RFAI Letter dated 1/4/2015

ID Number: C00550012

Reference: 30 Day Post-General Report (10/16/2014-11/24/2014)

1. Our Committee filed a 48-hour notice of contribution from Michele PAC on 10/28/2014. This was an In-Kind Contribution. The contribution did not appear on our Post-General report. I am not sure why our campaign software didn't auto-generate the contribution into the report because it clearly was entered in the system on 10/28 and generated into our 48-hour contribution report. I am working with our software vendor to fix the problem and I will file an amended report to reflect the in-kind contribution.

2. There was a duplicate made in our 48 hour report filed on 10/28/2014. This is due to a data entry error on my part while adding the contribution for Deborah Hamberlin. It was added in under her correct name and also added in under a misspelled name of "HAMNBERLIN". This was corrected and therefore the correct information was in our Post-General report.

Thank you and please contact me if you need further information.
